

Dear Max

The **Internorga** gastronomy exhibition took place in Hamburg from 10 - 14 March 2023. At our booth, we were able to welcome many visitors and make further valuable contacts.

Our mobile, battery-powered food serving trolley was in use every day from 10:00 to 18:00 and impressed many visitors with its performance. Our battery-powered induction can revolutionise your catering concepts already today.

If you missed us, take the chance to meet us this weekend from 2 - 4 April 2023 in St. Gallen at the **Gastia! Booth No. 3.0.45**

Otherwise, you can of course always visit our [website](#) to find out about all our products, topics and events.
